

## University of Nairobi

### Online student Application Manual

#### How to apply

Before continuing please read the University of Nairobi [admission requirements](#)

Please ensure that you meet the admission requirements before applying.

- It is in your best interest to complete your own application. The University of Nairobi does not make use of representatives, agents or agencies during the application process. If you choose to make use of representatives, agents or agencies, you do so at own risk.
- The closing dates are non-negotiable. It is your responsibility to ensure you apply before the applicable deadline!
- It is of utmost importance that you provide your correct personal email, Mobile Number, postal addresses and Next of Kin contacts to enable the University of Nairobi to contact with you directly.

You will only be able to submit your online application once you have:

- Completed the full online application form, **AND**
- Uploaded all the necessary scanned supporting documents in .pdf format, **AND**
- Either paid the application fee by any of the provided means.
- If you have not successfully paid by either means, your form has not been submitted.

Once your application has been successfully submitted after you have clicked VERIFY and APPLY:

- You will no longer be able to do any further editing of your application via the Online Application system.
- You will be informed by SMS and Email what your allocated reference number is.
- You will also be sent other important procedures describing how to check your progress and application results on your Email.

## Persons with disabilities:

The online application system provides the facility for an applicant to disclose his/her disability status. Applicants are encouraged to make use of this facility to disclose their disability status at this point in the application process. Such a disclosure will in no way prejudice an application. Disclosing your disability status enables the University of Nairobi to better anticipate the needs arising from these disabilities.

**Step 2: Profile Registration** – For first time applicants, create a personal profile by clicking on “Click Here to Register Button” to proceed to fill the all the required information

**Note: All details marked with a red asterisk are mandatory and you will be required to provide them before you proceed and you must read and accept the terms and conditions before submitting your details.**

The image shows a registration form titled "Please Register". The form contains several input fields, each with a red asterisk indicating it is mandatory: Surname/Last Name/Family Name, Other Name(s), Country Code (a dropdown menu currently showing "Kenya (+254)"), Mobile No, Email Address, Confirm Email Address, Password, and Confirm Password. Below these fields is a checkbox labeled "I Agree to the Terms and conditions". To the left of the checkbox is a callout box with the text "Click here to accept terms and conditions" and an arrow pointing to the checkbox. To the right of the checkbox is another callout box with the text "Click here to read the terms and conditions" and an arrow pointing to the "Terms and conditions" link. Below the checkbox are two buttons: a green "Register" button and a grey "Sign in" button. A callout box with the text "Click here to submit details" and an arrow points to the "Register" button.

Upon completion, an email will be sent to you (email provided during registration) requiring you to log in into your email account and activate your account together with your username and password.

This will allow you to log into your account to manage your profile and track the progress of your application. To create your account please click on the Register button otherwise enter your username and password to log in to your account.

### **Step 3: Profile Management**

To apply for a University programme you will be required to complete your profile. These include your **Personal details, Contact information, Education background, Work experience and Referees**. You will also be required to upload scanned copies of your certificates, transcripts and passport photo.

**Note: If you do not manage to complete your profile in one session your data will be saved and you can still come back and complete it at a later time.**
